A CLOSER LOOK AT Zodiac

Jan 2027

羊

Sheep
(1941, 1953, 1965, 1977, 1989, 2001, 2013, 2025)

Be prepared for a demanding year this year. Career-wise, workload and stress may increase, though successfully navigating a demanding project can build real trust and open doors to advancement. Ensure that you manage your energy carefully in this process. Work on communicating calmly and practicing patience at all times to prevent disruptions in your relationships. While overcoming the demanding year, pay extra attention to your health by incorporating gentle exercises in your routine. Always exercise precaution and stronger discipline, especially when taking big risks.

Feb 2027

猴

Monkey
(1944, 1956, 1968, 1980, 1992, 2004, 2026)

The Monkey may feel that the Goat's gentle energy slows it down this year, but this is a good time to appreciate beauty and develop patience. The Monkey can also improve its creative cleverness, which can result in a benefit for its career as quick solutions for artistic problems can teach it success. The slower pace will also benefit the Monkey's health while creative play can support its well-being - finding creative outlets for an active mind remains key. Look forward to stronger financial stability for the Monkey as patience can allow its investments to succeed.

Mar 2027

鸡

Rooster
(1945, 1957, 1969, 1981, 1993, 2005, 2017)

As a perfectionist, the Rooster can expect some challenges in this Goat year. Soften your criticism while learning to appreciate beauty over perfectionism can be beneficial to Goats as well. For career, the Rooster is encouraged to provide support rather than critique, preventing damaged relationships. Health requires attention to emotional well-being, since frustration with the year's inspection may cause stress. Finding beauty in imperfection helps set expectations. Financially, things remain stable but not exceptional, it's best to avoid criticizing others' artistic spending, as the Rooster's practical approach continues to provide security.

Apr 2027

狗

Dog
(1922, 1934, 1946, 1958, 1970, 1982, 1994, 2006, 2018)

For Dogs, 2027 brings mild friction rather than open conflict. The Goat's gentle, artistic nature contrasts with the Dog's loyal, action-oriented instincts, so the overall theme is to protect and support quality rather than lead assertively. Career benefits come from championing great people and projects behind the scenes rather than driving intensity directly. Health favors slowing down and finding peace over push towards purpose, since the year's artistic energy can otherwise be ungrounded. Financially, things stay stable through steady, protect work, and backing creative ventures can pay off, providing Dog-blessed security with an appreciation for beauty.

May 2027

猪

Pig
(1947, 1959, 1971, 1983, 1995, 2007, 2019)

It's a year of joy and abundance for the Pig as the Goat and Pig are a harmonious match. The Pig's gentle and pleasure-loving nature gets celebrated this year. Career shines especially in hospitality, arts, and nurturing fields, where the Pig gets deeply appreciated. Health flourishes in the harmonious year, supporting the Pig's love of pleasure. Financially, abundance flows naturally, as generosity attracts return, creative and hospitality ventures prosper, and security combine beautifully with pleasure.

Jun 2027

白鼠

Mouse
(1948, 1960, 1972, 1984, 1996, 2008, 2020)

In 2026, those born under the sign of the Rat received moderate energy, a relief after the more challenging 2016. Career benefits come from leaning into creative approaches and nurturing work, where resourcefulness finds new applications and collaborative projects outperform solo efforts. Health stabilizes as recovery takes hold, with a focus on comfort, pleasure, and creative activities that support mental wellbeing. Financially, things improve through creative work and clever applications of resourcefulness, with an emphasis on building comfortable security rather than pursuing aggressive growth.

Jul 2027

牛

Ox
(1949, 1961, 1973, 1985, 1997, 2009, 2021)

Expect some tension for the Ox in 2027 as its practical nature can clash with the Goat's artistic sensitivity through patience and appreciation of these differences are key to success. Career progress requires patience with different approaches, since the creative Goat energy may feel impractical, the Ox's reliability stays essential, just less celebrated. Health calls for attention to emotional well-being, since the conflicting energy may cause frustration. The Ox is encouraged to seek help through creative outlets and also accepting the fact that not everything can be worked through. Financially, things stay stable through the Ox's steady approach, though it's best to avoid criticizing others' creative spending.

Aug 2027

虎

Tiger
(1950, 1962, 1974, 1986, 1998, 2010, 2022)

Tigers are encouraged to soften their approach this year as the Goat's gentle energy conflicts somewhat with their boldness. Career benefits come from protecting others, as courage finds its best use in nurturing roles, with leadership through caring succeeding better than aggressive advancement. Health requires tempering natural intensity, since the year's soft energy calls for more rest, with gentle exercise serving better than intense competition. Financially, protecting existing assets is favored over aggressive expansion. The focus should be on securing comfort for oneself and loved ones.

Sep 2027

兔

Rabbit
(1951, 1963, 1975, 1987, 1999, 2011, 2023)

The Goat year is exceptionally favourable for the Rabbit as both signs share gentle and artistic natures that blend harmoniously with the Rabbit's sensitive soul. Career prospects are excellent, especially in creative, diplomatic, or nurturing fields as the gentle approach suits the year's energy perfectly. Health benefits greatly from the harmonious energy, allowing the sensitive nature to thrive while creative expression supports well-being and peaceful environments help healing. Expect a financially positive outlook this year through a careful approach of the year's favourable energy to attain security and comfort.

Oct 2027

龙

Dragon
(1952, 1964, 1976, 1988, 2000, 2012, 2024)

2027 brings a softer energy to the Dragon's usually powerful approach, as strength is used for protection rather than conquest. Career benefits come from seeing nurturing purposes, with power best applied to creative and caring fields while leadership through inspiration succeeds better than dominance. Health requires attention to rest and gentleness, as the Dragon's naturally high energy needs softer expression. Look for creative activities that can help channel the power constructively. Financially, the Dragon will attain stronger financial stability through sharing the abundance with the family and loved ones, other than just acquiring.

Nov 2027

蛇

Snake
(1941, 1953, 1965, 1977, 1989, 2001, 2013, 2025)

Both the Snake and Goat appreciate beauty and depth, making this a year for wisdom expressed through creativity and subtle influence through artistic means. Career improves in creative and aesthetic fields, as wisdom combines well with artistic energy. Snakes in advisory roles in creative industries will succeed while quiet influence remains effective. For Health, the Snake can turn to creative outlets and comfortable environments to nurture its overall wellness and calm energy. Financially, things improve through aesthetic investments, as art and beauty can be profitable as well as applying strategic wisdom to creative fields.

Dec 2027

马

Horse
(1942, 1954, 1966, 1978, 1990, 2002, 2014, 2026)

Expect continued success for the Horse in 2027 as the Goat year brings high compatibility to this sign. Career remains excellent while creative projects succeed and partnerships flourish as the Horse's drive combined with the Goat's artistic support creates great results. Health benefits from the harmonious energy, with the Goat year offering a gentler pace for recovery after the intensity of 2016, balancing activity with comfort is key. Through creative and collaborative ventures, as well as the Horse's positive energy, can result in success and financial positivity.
